

# CONSTRUCTION NOTICE

## Construction Begins...

**WHAT:** The contractor will begin the construction of the new northbound I-5 on-ramp at Wilmington Avenue and retaining walls.

**WHEN:** December 2013, weekdays, 7 a.m. to 5 p.m.

**WHERE:** Within the construction zone, parallel to the San Diego Freeway (I-405) Northbound and Southbound at Wilmington Avenue.

### WHAT TO EXPECT:

**On-Going Clearing and Grubbing Activity:** This work involves the removal of rubbish, shrubs, trees, etc. within the construction zone to clear the way for the improvements.

**Cast in Drill Hole (CIDH) Activity:** Crews will use large cranes and drilling equipment to construct the foundation for the new on-ramp and retaining walls using the procedure called CIDH. The Cast In Drill Hole (CIDH) procedure will drill a hole in the ground, place a steel cage in the hole and pour concrete.

**On-Going Utility Relocation Activity:** This work involves the removal or relocation of several utilities, underground and above ground. Utilities include, gas, water, oil, cable and telephone lines.

**Access:** Access will be maintained at all times.

**Noise/Vibration:** You will experience noise and vibration from back-up alarms, work crews and other related equipment during working hours.

**Dust Mitigation:** Water trucks will be on-site and used to minimize dust during working hours.

**CLOSURES:** No street or ramp closures are expected for this work at this time. Notices will be forthcoming.

Note: Construction activity schedules and closures are subject to change.

## About the Project

The City of Carson is modifying the San Diego Freeway (I-405) at Wilmington Avenue Interchange. Improvements include a new Northbound I-405 on-ramp at Wilmington Avenue, widening of Wilmington Avenue from E. 223<sup>rd</sup> Street to E. 220<sup>th</sup>, ramp modifications and traffic signal synchronization. The project will retrofit the bridge over the Dominguez Channel.
