

CONSTRUCTION NOTICE

TEMPORARY FREEWAY LANE AND RAMP RESTRICTIONS

UPDATE

SHORING ACTIVITY – DAY WORK

WHAT: The contractor has completed the construction of the retaining walls southwest and adjacent to the proposed new northbound I-405 on-ramp at Wilmington Avenue. The crews **will continue to remove** the temporary shoring (support) that was used during the construction of the retaining wall. **A total of 10 plates and 18 beams have been taken out with 10 plates and 22 beams remaining in place.**

WHEN: Ongoing through **Friday, October 3, 2014**
Work Hours: 7 a.m. to 5 p.m. (**weekdays only**)

RETAINING WALL BACKFILLING/EXCAVATION ACTIVITY – NIGHT WORK

WHAT: The contractor has completed the construction of the retaining wall adjacent to the **southbound I-405 on-ramp at Wilmington Avenue**. The crews will conduct backfilling at this location to put earth material back into place and conduct final grading.

In addition, the contractor will commence excavation for the construction of the retaining wall at the **southbound I-405 off-ramp at Wilmington Avenue**.

Both of these activities will require temporary nighttime closures of the southbound I-405 on- and -off ramps as well as temporary nighttime lane restrictions of the two outside southbound I-405 lanes.

WHEN Nightly, beginning Monday, September 22 - Tuesday morning, September 30, 2014
Work Hours: 9 p.m. to 6 a.m. (**night work only**)

K-RAIL RELOCATION – NIGHT WORK

WHAT: Current completed construction activities on I-405 at Wilmington Avenue will allow the contractor to remove and relocate k-rail. This will require the temporary closure of the two outside lanes of northbound I-405.

WHEN **Week of September 22, 2014**
Work Hours: 9 p.m. to 6 a.m. (**one night only**)

WHAT TO EXPECT DURING ACTIVITIES

Noise/Vibration: You will experience noise and vibration from back-up alarms, work crews and other related construction equipment.

Flagmen: You may experience intermittent travel restrictions on Wilmington Avenue. Flaggers will be on site to ensure safe traffic traveling. Use caution when driving through construction zones.

Visible Equipment Large equipment will be visible along local streets.

Dust Mitigation: Water trucks will be on-site and used to minimize dust.

Access: Business access will be maintained at all times.

Note: Construction activity schedules and closures are subject to change.
