

CONSTRUCTION NOTICE

OVERNIGHT WORK: CONCRETE POUR ACTIVITIES

WHAT

The contractor is conducting daytime concrete pours on northbound I-405 for the construction of a transition and an auxiliary lane. Due to the time necessary to allow for the concrete to cure before saw cutting is implemented, the contractors' work hours will continue overnight (intermittently). The saw cutting conducted will generate concrete joints that will produce predetermined spacing to control cracking on the concrete.

WHERE

Northbound I-405 between Wilmington Ave. and slightly north of the Dominguez Channel

WHEN

- Thursday afternoon, Nov. 13 through Friday morning, Nov. 14, 2014 (saw cutting)
- Tuesday night, Nov. 25 through Wednesday morning, Nov. 26, 2014 (removal of k-rail)

WORK HOURS

- **Concrete Pour hours:** 7 a.m. to 4 p.m.
- **Saw cutting work hours:** 4 p.m. to 4 a.m.
- **K-rail removal hours:** 9 p.m. to 6 a.m.

Note: Construction activity schedules and closures are subject to change due to inclement weather and/or other uncontrollable factors.

WHAT TO EXPECT DURING ACTIVITIES

Noise: You may experience noise from back-up alarms, work crews and other related construction equipment and activities.

Access: Business and resident access will be maintained at all times.

Dust Mitigation: Water trucks will be used to minimize dust.

Use caution when driving through construction zones.
