

# CONSTRUCTION NOTICE

## OVERNIGHT WORK: MATERIAL EXCAVATION AT NEW NORTHBOUND I-405 ON-RAMP

### WHAT

The contractor will be excavating the material by the proposed new northbound I-405 on-ramp at southbound Wilmington Ave. The material excavated will be used as backfill material for the widening of the southbound I-405 off-ramp at Wilmington Ave.

For the safety of motorists and pedestrians, traffic traveling southbound on Wilmington Ave. will be restricted to one open lane, between 223<sup>rd</sup> St. and 220<sup>th</sup> St. To prevent traffic backup on Wilmington Ave., this work will be conducted at night. It will be a **ONE NIGHT** activity for transporting the material excavated.

### WHERE

Proposed new northbound I-405 on-ramp at southbound Wilmington Ave.

### WHEN

Monday night, November 24 into Tuesday morning, November 25, 2014

### OVERNIGHT WORK HOURS

9 p.m. to 7 a.m.

*Note: Construction activity schedules and closures are subject to change due to inclement weather and/or other uncontrollable factors.*

### WHAT TO EXPECT DURING ACTIVITIES

**Noise/Vibration:** You may experience noise and minor vibrations from back-up alarms, work crews and other construction related equipment and activities.

**Flagmen:** You may experience intermittent travel restrictions on Wilmington Ave. Flaggers will be on site to ensure safe traffic and pedestrian traveling.

**Access:** Business and resident access will be maintained at all times.

**Dust Mitigation:** Water trucks will be used to minimize dust.

**Use caution when driving through construction zones.**
