

UPDATE: CONSTRUCTION NOTICE

(See schedule updates in blue.)

WHAT

In the upcoming three to four months, the contractor will drive piles at different locations within the project limits (*see map below for pile driving locations*). The piles will provide the structural support necessary for the widening of Wilmington Ave. (between 220th St. and 223rd St.) and of I-405 (at the Dominguez Channel).

WHERE

1st Pile Driving Activity

■ Adjacent to Northbound I-405 at the Dominguez Channel

2nd Pile Driving Activity

- Intersection of Wilmington Ave. & E. 223rd St.
 - Northeast corner - widening of Wilmington Ave.
 - Southwest corner - traffic signal installation.
 - Southeast corner - widening of Wilmington Ave.

WHEN

1st Pile Driving Activity

■ **Ongoing - Late July 2015**

2nd Pile Driving Activity

■ **Late July/Early August – Late Aug. 2015**

* As the crews get closer to completing the first pile driving activity, more information about the 2nd pile driving activity will be available, including start date and possible street closures,.

SCHEDULE

Monday – Friday (occasionally, Saturdays)

Pile Driving Operations: 7 a.m. to 5 p.m.

Mobilization of Equipment: 5 p.m. to 8 p.m.

Note: Construction activity schedules and closures are subject to change due to inclement weather and/or other uncontrollable factors.

WHAT TO EXPECT DURING ACTIVITIES

Noise/Vibration: You may experience noise and vibrations from the pile driving, back-up alarms, work crews and other construction related equipment and activities. As a precaution, we recommend that you secure any breakable items.

Flagmen: Flaggers will be onsite when necessary to allow access to traffic.

Access: Business and resident access will be maintained at all times.

Dust Mitigation: Water trucks will be used to minimize dust.

Use caution when driving through construction zones.
