

# CONSTRUCTION NOTICE

## Pile Driving Activity - COMPLETED!

The pile driving work that was being conducted at the Dominguez Channel has been completed. The piles will provide the structural support necessary for the widening of Wilmington Ave. (between 220<sup>th</sup> St. and 223<sup>rd</sup> St.) and of I-405 (at the Dominguez Channel).

### WHAT TO EXPECT DURING WORK HOURS:

**Noise/Vibration:** You may experience noise and vibration from the crane mobilization, back-up alarms, work crew and other related equipment during work hours.

**Dust Mitigation:** Water trucks will be on-site and used to minimize dust during working hours.

**Flagmen:** Flaggers will be onsite when necessary to allow access to traffic and insure the safety of traffic.

*Note: Construction activity schedules and closures are subject to change.*

### About the Project

The City of Carson is modifying the San Diego Freeway (I-405) at Wilmington Avenue Interchange. Improvements include a new Northbound I-405 on-ramp at Wilmington Avenue, widening of Wilmington Avenue from E. 223<sup>rd</sup> Street to E. 220<sup>th</sup>, ramp modifications and traffic signal synchronization. The project will retrofit the bridge over the Dominguez Channel.

The City of Carson thanks you for your patience and understanding during construction.
