

CONSTRUCTION NOTICE TRAFFIC SWITCH

WILMINGTON AVENUE - TEMPORARY FULL STREET & RAMPS CLOSURES

WHAT As a part of the project improvements, the crews will be conducting a traffic switch on Wilmington Avenue from the west side of the street to the east side. This will allow for the crews to continue with the widening of Wilmington Avenue on the west side of the street (traffic will be able to travel on the newly widen road on the east side of the street, adjacent to the gas stations). **This activity will require a temporary full street weekend closure of Wilmington Avenue between 220th Street and slightly south of 223rd Street as well as the closures of southbound and northbound I-405 on- and off-ramps, at Wilmington Avenue** (please see detour map below for closure and detour information). Thru traffic on 223rd Street will be allowed.
