

CONSTRUCTION NOTICE TRAFFIC SWITCHES

WILMINGTON AVENUE & 223rd STREET – TEMPORARY STREET CLOSURES

WHAT As a part of the project improvements, the crews will conduct median work as a part of the final stage of this project. This activity will require two traffic switches, one on Wilmington Avenue and one on 223rd Street. For both activities, traffic will be pushed to the outside of the streets to allow the crews to work in the median area. The traffic switches will require temporary full-street and partial-street closures of Wilmington Avenue and 223rd Street respectively, as well as the closures of northbound and southbound I-405 off-ramps at Wilmington Avenue (please see below for additional schedule, location and closure/detour information). **Access to local residents and businesses will be maintained.**

Weekend #1 Full Street Closure

WHEN/WORK HOURS

Friday, Dec. 1 - 2, 2017 • 10 p.m. to 12 p.m. noon.

(Continuous day & night work and closure)

WHERE

Wilmington Avenue between 220th Street and slightly north of 223rd Street

Weekend #2 Partial Street Closure

WHEN/WORK HOURS

Friday, Dec. 8 - 9, 2017 • 10 p.m. to 12 p.m. noon.

(Continuous day & night work) and closure)

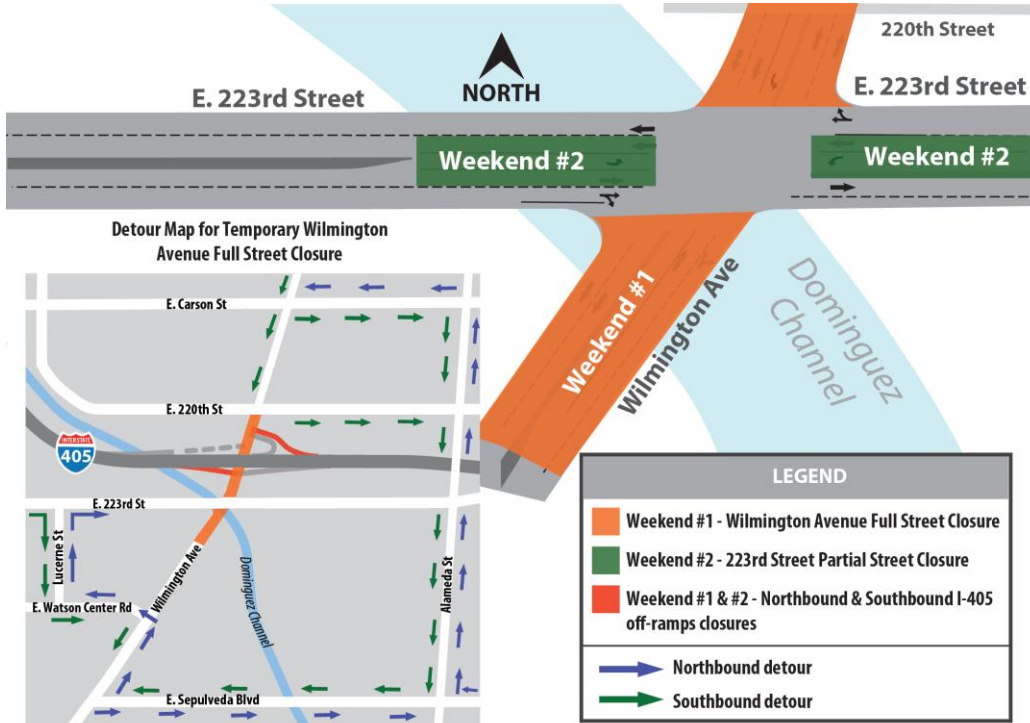

WHERE

223rd Street between Air Gas business and Nissan Carson dealership

No left turns from 223rd Street onto Wilmington Avenue will be available during the Weekend #2 activity.

Both activities will require the closures of northbound and southbound I-405 off-ramps at Wilmington Avenue.

** Construction activity schedules and closures are subject to change due to inclement weather and/or other uncontrollable factors. For schedule updates, please visit the project website, listed at the bottom of this notice.*

WHAT TO EXPECT DURING ACTIVITIES

Noise/Vibrations: You may experience vibrations and noise from back-up alarms, work crews and other construction related equipment and activities.

Flagmen: Flaggers will be onsite when necessary to allow access to traffic.

Access: Business and local resident access will be maintained at all times.

Dust Mitigation: Water trucks will be used to minimize dust.

Lighting: Extra lighting will be used for the night work.

Use caution when driving through construction zones.
